

ZAK

ZAK IS A NEOSOUL/ POP ARTIST. HIS MUSIC BLENDS ELEMENTS OF JAZZ HIP HOP, RNB, AND POP.

In 2016, the 24 year old Singer/ Songwriter moved from Bay Area to Los Angeles where he began to garner awareness of his unique soul-driven vocals. Zak stems from a pool of influential Motown greats such as Marvin Gaye and James Brown, however he strikes a clear resemblance to the modern styles of Amy Winehouse and Jamiroquai. Born a 90's baby, Zak carries an important message for the younger millennials; "represent what makes you different". Most recently, Zak has been working with Billboard Top 10 Producers like Nate "Impact" Jolley, assembling his debut Album "Levels", and placing songs in big budget films such as "My Grandpa the Assassin". In 2018, he continues to build credibility amongst a growing fanbase in LA through through his 'Levels' tour.
